STUDENT COUNCIL ELECTED

The students have elected a good Student Council this year. They have elected for president, Russell Akers; vice president, Rena Martin; secretary, Sharon Clark; treasurer, Ruth Jenkins; and for councilman Ray Charles, Susan Jeppson, and John Ruhl.

The students that were picked were very happy and excited. They thanked the students for voting for them.

SCHOOL AND ACTIVITIES AT WRANGELL

The first week of school everyone was taking tests to see what group they would be in. School here at Wrangell is fun. It gives each and every student time to study, and it also makes the days fly by.

Everyone seems to like it at Wrangell Institute. They also have fun on weekends. They go to movies, go shopping, and to dances.

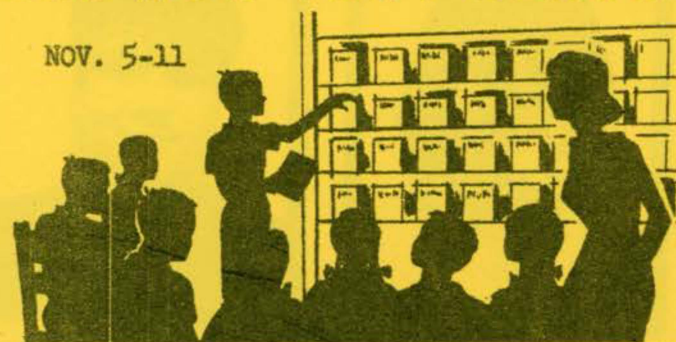

On Friday night they have a student store at the girls dorm. They sell candy, popcorn, ice cones, cake mix and crackers.

The students enjoy all of the activities at Wrangell.

LIBRARY DISPLAYS MATERIALS

A person entering the library comes face to face with a new display. A section has been set aside to display non-book materials. Many new and old items can be found in this section.

The purpose here is to call this material to the attention of students and teachers so that they might make wider use of it.

Question: How can a student make use of this section? Example: The filmstrip viewer can be used with a filmstrip to help with lessons--there is a good strip on changing fractions to decimals. There are many others.

In the above picture, photographer Ernie Phillips lets Adolph Lewis take a practice shot.

The Health Center has two new employees this year. They are Miss Mildred Lager, head nurse; and Miss Judy Carter.

Institute students Alma Agnasagga and Russell Akers are in Ketchikan attending the IB Convention as Representatives of Wrangell Institute. Mrs. Amy Churchill, Supervisory Instructional Aid, went with them.

SCIENCE HAPPENINGS

Group 1 learned how the gyroscope works.

Group 2 made a bulletin board showing the water cycle and how water leaves and returns to it.

Group 3 made a bulletin board to show how force acts on airplanes, and the names of the outside parts.

Group 4 will practice for an assembly program this month honoring our Flag.

Group 5 made a bulletin board showing a display.

IN THE SOCIAL STUDIES CLASSES

Students in Groups 3 and 6 gave the first class assembly October 6th. The program was about the teachers at Wrangell Institute, and what they taught in their rooms.

Some students played the teachers and some played the students. Herbert McInnis played the music teacher, Mr. LaMarr, and he sang "Twinkle, Twinkle Little Star." The students enjoyed the program.

Scrolls, scrolls, and more scrolls. As students walk into the social studies class they see many papers hanging on the wall. The papers are called scrolls and

contain pictures and stories about ancient times beginning with Egyptian civilizations. The scrolls or written records were made by the students in Group 1 social studies class.

An interesting bulletin board was made by Margaret Igkurak and Ruth Jenkins in the social studies room. They made pictures and booklets showing the Seven Wonders of the Ancient World. The Hanging Gardens of Babylon is a very interesting picture.

Report cards are due and we had an exam in social studies. Mrs. LaMarr said the following students made high enough grades to be on the social studies honor roll:

- Group 1 - Russell Akers, Roy Agnoboogak and Pedusia Andrew.
- Group 2 - Mike Clayton, Minnie Billy, Anecia Eknaty, Moses Friendly, John Jasper and Adolph Lewis.
- Group 3 - Adolph Cleveland, Peter Druck, Lillian Lewis and Wesley Mitchell.
- Group 4 - Emma Small
- Group 5 - Christopher Roberts, Jimmie Hunter, Johnathan John, Alexie Pleasant, Willie Pleasant and Minnie Wassilie.

Co-editors, Wrangell Eagle
Wrangell Institute
Wrangell, Alaska 99929

Dear Irene and Sharon:

I am pleased each month to receive your good newspaper, the Wrangell Eagle, and wish to thank you for mailing copies to me. As a former newspaper editor, I commend you and your staff for a job well done each issue.

Through your good office, I wish to congratulate Russell Akers and the student council on their election and wish them a successful year. As always, my office stands ready to assist them and the student body and faculty with school programs.

With best wishes to all, I am

Cordially yours,

Ernest Gruening, U. S. S.

FIRE AT WRANGELL

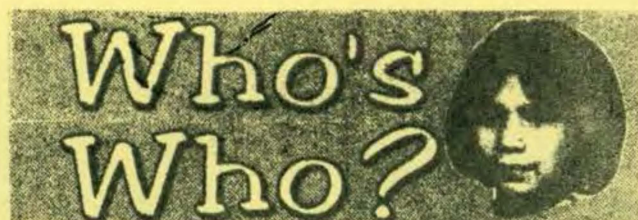

On November 27, there was a fire in the school building.

On Monday some girls went to the gym to play volleyball. Soon, all the girls came back saying that there was water running down from some place to the gym. Some girls forgot their fire blankets. It was snowing outdoors that night.

The next day there was no school. The girls changed their bed spreads, sheets and blankets. Everyone was busy cleaning their sections, drawers, and washing their bed.

After we ate our supper we changed sections. In section 16 there are Bessie Phillip, Esther Phillip, Martina Ivon, Debora Ivon, Jean Igkurak, and Margaret Paul. Everygirl was happy when we changed sections.

Anna Willis

This boy is probably the best dancer at Wrangell Institute. His height is about 5' 6", and he is good looking. He also has a good personality. He is usually seen with R. C. He is in Group 2, and plays on the basketball team.

WHO IS HE???

This girl has short hair, and she is lots of fun to be with. She is fond of slow dances and is also in Group 2. Her best friend is B. Z.

WHO IS SHE???

THE WRANGELL INSTITUTE FIRE

On November 27, 1967 there was a fire in the school building. Some students were in the gym playing volleyball, then all of a sudden water started dripping from the ceiling, so everybody had to go back to the dorms. As soon as we got into the dorms the siren blew. Everybody grabbed their fire blankets and went outside, and remained quietly until they had permission to go back inside. After awhile a fire truck came from town to put the fire out.

Who's Who?

Anna Willis

Can you guess who this girl is? The girl for this month has short hair and is very pretty. This is her first year at Wrangell Institute. She is usually seen with E. S.

She comes from the Bethel District.

WHO IS SHE???

This boy is probably one of the cutest boys on the campus. He has black hair and is usually seen smiling. His favorite sport is basketball.

He comes from the far north and is in Group 4.

WHO IS HE???

ENGLISH CLASSES LEAD MEETING

The English classes are learning how to lead a meeting.

All the students in group 1 had a chance to be chairman and a secretary. All the secretary reports were interesting to hear, especially when there were errors. The errors had to be corrected and the reports rewritten.

The class enjoyed listening to all of the students being chairman and secretary.

....Ruth Jenkins

USING THE FIRE EXTINGUISHER

The students of group 1 had a chance to see a demonstration of how a fire extinguisher puts out fires. Almost all of the boys got a chance to use it on the fire. The fire was in the back of the school ground.

CELEBRATING HALLOWEEN

The students at Wrangell Institute enjoyed Halloween night.

Little kids went trick or treating around campus while 9-12 years were having a Halloween party in the girls dorm recreation room. The teen-agers were having a Halloween dance party over in the school gym. Refreshment were apples, candy, cupcakes and juice which were given to those who attended the activities.

Every one had fun.Rena Martin

MAKING MODELS WITH MR. SMITH

When Mr. Smith goes to the boys dorm boys ask him if they could make something out of wood. The boys mostly make airplanes in his shop. There are all kinds of tools that the boy could use, but no pocket knives and axes.

Last Sunday when the girls went to the boys dorm to visit, some of them asked Mr. Smith if they could paint pictures. Mr. Smith said that they could, but when the boys asked if they could paint picture he said that they could paint after the girls finished. He also said that they have to finish the work on the wood. Some of the boys were complaining about this after a while.

Who will make the best model?

Who will have the best painting?

WINTER IS COMING

We all know winter is getting closer. It is getting colder than it was toward the first of the school year. The hills and mountains around Wrangell Institute have snow on the tops of them now. Snow has not fallen on the campus yet, but we can tell it will not be long before it does. From all these signs the students can tell winter is coming.

TWO SECTIONS WIN PRIZES

In the boys' dorm the best decorated sections for Halloween were 17 for the north dorm and 3 for the south dorm. The boys in section 17 are Tommy Willis, Sheldon James, Mike Williams, Roy Matsuno and Noah Attie.

Benny Benson, Peter Druck, John Ruhl, Frank Jones, William Paul and Nicky Willis are in section 3.

The prizes were apples and cupcakes.

The sections were decorated with crepe paper and construction paper. They cut and hung paper on the walls, the ceiling, and on the doorways. With the construction paper they made witches, pumpkins and cats.

STUDENTS WIN COSTUMES HONOR

A Halloween Party was held in the gym on October 28. The students enjoyed it very much. The best costume was to be the winner. The winners were June Moses, Herbert McIntyre and Noah Attie.

Some girls and boys danced with costumes on. Some of the students did not wear costumes.

On that same night refreshments were passed out in the boys' dorm. The refreshments were cupcakes, punch, apples and sandwiches.

DANCERS COME TO WRANGELL

On November 1, 1967, at 7:30, there were Tlingits who came to the Wrangell Institute gym. They danced some of the dances they used to do a long time ago.

Their costumes were colorful and had good designs.

Mr. Smith and Mrs. Churchill took part in these dances.

....Tommy Jimmie

POEMS LEARNED IN THE ENGLISH CLASS

On October 30th, Mrs. Dow passed out poems to the students. Each student had to choose one of the poems to learn and say before the class.

The most popular poems were "Trees," by Alfred Joyce Kilmer; "In Flanders Fields," by John McCrae; and "The Monkeys and the Crocodile," by Laura Richards.

THE TOWN MOVIES ARE FUN

Every weekend on Saturdays around one o'clock a group of students go to the town movies at the 49th Star Theatre.

The theatre is a big building where they show movies. Some students take an extra half a dollar for candy or popcorn to eat while watching the movie.

After the movie the students come back to Wrangell Institute in a bus.

....Pedusia Andrew

THE WEATHER IS CHANGING

Although it has not snowed yet, the weather has changed. The rain decreased and the cold increased.

Mountain and hill tops are covered with more snow.

Students' clothing is also changing from thinner to thicker clothing to prevent colds, chills and so forth.

It was said that the snow falls somewhere in the middle part of November. Since its getting colder, snow will soon fall. Pretty soon, rather than rain we'll have snow.

SYMPHONY PRESENTS PROGRAM

The Juneau Little Symphony presented a program at Wrangell, Alaska. They held the program at Wrangell High School. The program started at 8:00 P.M. The band had violins, trumpets, trombones, tuba, percussion, and other instruments. They played songs of famous people. The best song they played was "When Johnny Comes Marching Home." Everyone enjoyed the songs the Juneau band played. They will go to another town this week.

Sports

Leonard Willoya

On October 23rd, basketball practice started. Some of the exercises the boys do are jumping jack, pushups, squat thrusts, leg lift, toe touch and others.

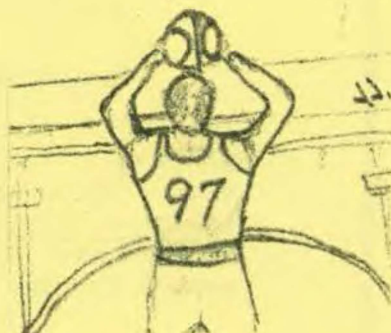

The boys also practice with the ball. They practice doing layups, screening and other things.

On November 8th, the A Squad will go to town and scrimmage with the Wrangell school.

There are twelve boys on the A Squad. The twelve boys on the A Squad and Coach Daly are going to practice in the Wrangell school gym.

Mr. Daly presented the following boys an award for track:

GETTING READY FOR BASKETBALL

The boys are getting ready for basketball. They practice in the gym. They are getting ready because they play rat race around the gym. First they have to practice the skills of basketball like screening, passing the ball, and how to keep up with your man. The boys are getting along just fine. They practice from 4:00 P.M. to 5:00.
